

## **Mercy's Reign Bio**

Mercy's Reign has been involved in many bigger venues around the U.S., but has also performed for many small churches and congregations up and down the east coast. They have sang in places like TBN studios in Nashville TN and Canton OH, showcases in Branson MO, and NQC in Louisville KY. They have shared the stage with some of southern gospel's finest such as McKameys, Perrys, Geenes, New Hinsons, Anchorman, Crossway, Jodi Brown Indian Family, Jesse Dixon, The Galloways, and many, many more.

In September of 2000 Mercy's Reign released their first single to national radio called 'I Shall Behold Him'. The song received positive reviews in many areas across the country. From 2001-2004 Pam and Joe took time off the road to become youth pastors and worship leaders at local churches. In 2005 they signed an agreement to record with Nashville radio DJ and personality of the award-winning show, Front Porch Fellowship, and President of the recording label Family Music Group, Les Butler. The album 'Make It Count' has been completed and several songs from it have been selected for national radio. Mercy's Reign has reached a promotional and booking agreement with Gateway Music Group.

The Group believes their music will be uplifting and encouraging to your church body. Their vision is plain and simple, 'Winning as many souls as possible before his returning and helping others in their personal battles along the way'. It's not about how fancy they look, how pretty they sing, or even how many albums they sell. It's all about Jesus, and being about his business period! Mercy's Reign very much believes in being active members in the local communities, as well.

Most recently, Mercy's Reign started an outreach to help victims of bad circumstances in many areas, such as hospital, food and clothing, juvenile facilities, homeless, and any other need that may come their way. We take portions of every penny that we receive to reach these needs. For more details or if you know of a need please contact us at [info@mercysreign.com](mailto:info@mercysreign.com).
