

Programs Suitable for Churches

At 34, Frank Shelton, Jr. shares a passion for people, preaching and public service. He addresses audiences across America at various conferences, crusades and churches and loves leading the lost to the Lord. Frank uses humor, celebrity impersonations and incredible illustrations that Exalt Christ and Encourage Christians while pointing as many people to the Prince of Peace (Jesus Christ). His sole mission is souls. In the last 48 months, over 2,000 people have made personal commitments to Christ. While working full-time on Capitol Hill, Frank spoke in 72 churches and schools in 2001-2002 alone, at various revivals, retreats and youth rallies.

Frank is an ordained minister and loves doing "the work of an evangelist." Frank admires Andrew in the New Testament because he was always bringing someone to Jesus. Frank attended the Billy Graham School of Evangelism in Monterey, California and is a former youth pastor and Minister of Evangelism at Dunkirk Baptist Church in Maryland. He is the co-founder of the largest annual Youth Rally in Southern Maryland and is perfect for both teens and adults. He is a featured speaker with Sam Glenn at The National Christian Youth Speakers Network www.christianyouthspeakers.com , and Character Speaks www.characterspeaks.com .

Outside of Christ, Frank's favorite Biblical person is Joseph of Arimathea. Frank's father retired in 1995, as Deputy-Chief of the United States Capitol Police. Frank's father is a fourth generation police officer in the Nation's Capital. Frank's ancestor was on duty at Ford's Theater, Good Friday, 1865, the very evening President Abraham Lincoln was assassinated. It has been noted that his ancestor assisted in carrying President Lincoln across the street where he died 11 hours later. Frank's family friend was a personal friend to the late Elvis Presley and was asked to be a pallbearer at Elvis' funeral. Frank's ancestor carried the "KING OF A NATION" and his friend carried the "KING OF ROCK 'N ROLL" but like Joseph of Arimathea we carry the "KING OF ALL KINGS!" Joseph of Arimathea carried Christ one time but we carry Christ daily by our life and lips. It is one thing to carry greatness but something entirely and eternally different when GREATNESS (God) carries us!
