"As a Pastor of a growing church, I have learned to be very careful whom I invite to enter our pulpit for ministry. I always want someone who has a deep experience with the Lord, a heart and burden to minister, and a lifestyle to back it up. The Wilsons always have an open invitation to minister in our church. I commend them to you because they will bless you. I commend them to you because they will minister to you and leave you and your church encouraged because of the anointing on their lives that makes the difference. I am sure it will be a wonderful experience for you and your church."
